Ms. Ramirez's Third Grade Newsletter

Writing

In writing students will be working on a holiday writing piece. We will study holiday themed books for inspiration and ideas.

Word Study

Students will be continuing their word studies. Throughout the week they will be completing word work in class with their spelling words. Please remember to help your child study their words at home.

Reading

Students will continue to read within their small groups. We will be starting a study on non-fiction books and articles.

Math

Students will be finishing up a unit on multiplication and division. We will be starting Unit 3: Measure Time and Graphs. Please continue to practice basic multiplication and division facts with your child to help them master these important facts. Also practice telling time with your student at home. Have them help you decide how much time was spent on particular activities. Elapsed time is a difficult concept for children to learn.

Social Studies

Students will be finishing up a unit on economics and beginning a unit on the history of Michigan.
