## October in Ms. Ramirez's Third Grade Class

### Important Dates

**October 5:** Picture day!

**October 7:** Fun Run

**October 14:** Birthday Celebration for October

**October 17:** Volunteer sign up sheet posted for our Fall Party

**October 17:** Parent Teacher Conference sign up sheet posted

**October 18:** Field Trip to Greenfield Village

**October 31:** Halloween! Half day of school; Professional Development (11:30 am dismissal)

### Things We Are Learning

**Language Arts:** Students will be exploring fiction books. We will work on making predictions and summarizing what we have read. We will make reading fun!

**Math:** Students will continue learning how to create multiplication representations. We will also be studying how to use multiplication strategies to solve equations. Keep practicing facts at home.

**Social Studies:** We will continue our study of geography and map skills.

**Writing:** Students will be writing personal narratives.

### Teacher Note

Our first month of school together was awesome! The students impress me everyday with their kindness and willingness to learn and participate. I know this will be a great year for everyone. Thank you to all families for everything you do to support your child and our school.

Sincerely,  
Ms. Ramirez
