Writing & Grammar

Students will begin writing personal narratives. They will also be studying sentence structure and parts of speech in grammar.

Word Study

Students will begin their word studies. Throughout the week they will be completing word work in class with their spelling words. Please remember to help your child study their words at home. The first set of words will come home the first Monday we have school, September 12th.

Reading

Students will be put into small reading groups. In September we will focus on Fiction books. They will be reading a book in their small group with a teacher. Students will also be learning how to choose a book at their level from our class library.

Math

Students will be learning multiplication and division 0-5 and 9-10. Please keep practicing your multiplication tables, Division, and basic facts at home.

Social Studies

Students will be finishing up a unit on geography and map skills and beginning an economics unit.
